## Chocolate Fairy Cakes

### INGREDIENTS

- 150g caster sugar
- 120g self-raising flour
- 25 cocoa
- 1 egg
- 50ml oil
- 125 ml milk
- 1tsp vanilla extract

### FOR THE ICING:

- 1 cup icing sugar
- 3 tbsp cocoa powder
- 2 tbsp hot milk

### EQUIPMENT

- 2 Bowls
- Wooden Spoon
- Muffin cases
- Muffin tin

### Method

- Preheat the oven to 180C.
- Mix the dry ingredients in one bowl
- Beat the wet ingredients in another bowl
- Combine by adding about two thirds of the wet ingredients and beating until smooth. Then add the rest of the wet ingredients and beat until smooth again
- Scoop into muffin cases in a muffin tin and bake for between 17-19 minutes or until domed and springy on top
- For the icing, mix all ingredients together in a bowl until smooth
